Immigrant Muslims are roughly twice as likely as Muslims who were born in the United States to own a home and have a college degree. Some of these differences are linked with broader racial patterns in the general population. For example, black Americans in general are less likely than people of other races to have a college degree or to make ...

Ouri releases her future-facing debut album *Frame of a Fauna*

Interestingly, when Bruce Springsteen was gearing up for the recording of *Born to Run*, he began the curious habit of listening to Roy Orbison's *Greatest Hits* every single night. He laid out the rationale behind his obsessive routine when he eventually inducted his hero into the Rock and Roll Hall of Fame; explaining: "Some rock 'n' roll reinforces friendship and community."

The album *Bruce Springsteen listened to every night*

As fewer young immigrants are entering agriculture, the average age of foreign-born farmworkers has risen, pulling up the average for the farm workforce as a whole. The average age of immigrant farmworkers rose by 6 years between 2006 and 2019. In contrast, the average age for U.S.-born farmworkers has remained roughly constant over this period.
