politics, economics and society in Britain
but to see that it greatly changed the
daily lives of those living in the
homeland, would be unjustified.

What was the impact of empire on Britain during the period ...

The British Empire comprised the
dominions, colonies, protectorates,
mandates, and other territories ruled or
administered by the United Kingdom and
its predecessor states. It originated with
the overseas possessions and trading
posts established by England between
the late 16th and early 18th centuries.
At its height, it was the largest empire in
history and, for over a century, was the

British Empire, a worldwide system of dependencies— colonies, protectorates, and other territories—that over a span of some three centuries was brought under the sovereignty of the crown of Great Britain and the administration of the British government. The policy of granting or recognizing significant degrees of self-government by dependencies, which was favoured by the far-flung nature ...

British Empire | Countries, Map, At Its Height, & Facts ...

The earliest known reference to the inhabitants of Great Britain may have come from 4th century BC records of the voyage of Pytheas, a Greek geographer who made a voyage of exploration around the British Isles. Although none of his own writings remain, writers during the time of the Roman Empire made much reference to them. Pytheas called
