The O Level (Ordinary Level; official title: General Certificate of Education: Ordinary Level) is a subject-based qualification conferred as part of the General Certificate of Education.It was introduced in place of the School Certificate in 1951 as part of an educational reform alongside the more in-depth and academically rigorous A-level (official title of qualification: General Certificate ...

GCE Ordinary Level - Wikipedia

According to the British Department for Education, in the academic year 2014/15, approximately 7.3%, 2.7%, 1.0% and 0.3% of all the candidates from the GCSE cohort (548,480) achieved one to four A*s or a better result in the GCE A-level examination. This percentile rank is one important input for equating the levels in both examinations.
