## **powers ...**

Governments have power. The Constitution is the one that gives them power. What are these called? DELEGATED POWERS. The Constitution has given each separate system of government specific powers. There are three types of Delegated powers: implied, expressed, and inherent. Implied Powers are powers that aren't spelled out in the Constitution. For example, Congress has the power to 'make laws to carry out what's in the Constitution'.

## **Lesson 12 - Government**

Congress takes these actions because time and the courts have agreed that Congress also has "implied powers," powers that are related to the expressed powers but not specifically listed.

Implied powers are logically deduced from express powers.
