A child’s 10 th birthday is kind of a big deal. It signifies the first decade of a child’s life, so some big celebration is to be expected. This also means that the child is getting out of that little kid stage and entering the next phase, which is the pre-teen years. It will be an exciting time both for the birthday celebrant and the parents.

Happy birthday! Today is your birthday. And you feel pretty good, Your body’s still working, You should really touch wood. Your hair is just a bit grey, Your wrinkles few and far between, You may not look 18 anymore, Still you get pimples like a teen. I’m glad you feel as fresh as ever, Despite the fact you’re getting ripe, You say you have 20/20 vision, Yet you read books with large type.
