John Cameron Urschel (born June 24, 1991) is a Canadian-American mathematician and retired professional American football guard and center. He played college football at Penn State and was drafted by the Baltimore Ravens in the fifth round of the 2014 NFL Draft. Urschel played his entire NFL career with Baltimore before announcing his retirement on July 27, 2017, at 26 years old.

John Urschel - Wikipedia

Without the “consistency” of having to show up on, say, Tuesday and Thursday, 11 o’clock, many reported that it was easy to let classes slide and not take them as seriously as before. Plus, for some, there are the distractions of having to live at home, sharing space and computer time with parents and siblings, not to forget pets.

Online learning is not the future of higher education ...
