The Dinosaur That Pooped Daddy! : Tom Fletcher : 9781782956396

The dinosaur that pooped Daddy is an eye-catching little board book, much shorter than the dinosaur that pooped a planet, and was written with younger children in mind. Even so, Rhys really enjoyed it and I loved the fact that it had an educational element to it for Nerys.

The dinosaur that pooped Daddy - book review - This ...

Packed with prehistoric cheekiness, punchy girl power and, of course, lots and lots of poop! ----- From the totally gross imaginations of bestselling authors Tom Fletcher and Dougie Poynter (and with disgustingly glorious artwork from Garry Parsons) the Dinosaur That Pooped series are full of laugh out loud rhymes and more poop than you can ...

I've purchased a few of the other 'The Dinosaur that pooped.....' series. I decided on this one as a sort of present for/from Daddy for my husband's birthday. This book is aimed at a younger audience than the others in the series. My nearly two year old enjoys this book, whereas my 4 year old much prefers 'The Dinosaur that pooped a planet'.

The The Dinosaur that Pooped Daddy isn't just about a dinosaur that can poo out a whole person though! It can help you and your child with counting which is a great bonus really. I think children will learn better when they're having fun at such a young age so this is a really good way of learning 1-10 in different way.
