Most L200 pickups of this generation carry a 2.5-liter turbodiesel engine under the hood, but a decent chunk of them can also be found with Mitsubishi's 2.4-liter four-cylinder gasoline engine. In Japan, the only engine available in the Triton was a 3.5-liter V6 with 186 horsepower. The V6 is a rare sight in markets outside of Japan.

More than a year-and-a-half into the COVID-19 pandemic, burnout seems to be on everyone's lips. Many of us didn't realise what had hit us when we scrambled to adjust to the sudden upheaval of the workplace, switching to remote work with little or no preparation, or deemed an essential worker and asked to continue business-as-usual in highly unusual circumstances.
