The product I purchased was 1" wide, but is identical otherwise. I love this tape. I am a paper crafter and use post-it tape to mask off certain areas of a design when inking or coloring specific underlying areas without compromising the 3-d effect of the overall colored design. So far, I am extremely pleased with the product.

The sticky side of each tape you removed was pressed against the smooth side of the BASE tape. Here is a force that is repulsive, unlike gravity which is always attractive. Keep the tapes near each other. Over time notice that they move closer. The repulsion goes away slowly. On humid days the repulsion decreases more quickly. 2. Two OLD tapes.
